

Town of Weldon

Job Vacancy

Street Department Supervisor

An employee in this class supervises the operations of the Streets Section in the construction, maintenance, and repair of street, sidewalks, street and traffic signs and marking, buildings and grounds, right-of-ways, drainage facilities, cemetery and yard wastes. Work involves the supervision of employees and several crews engaged in a variety of street maintenance activities, drainage and street signage.

Essential duties and tasks include but are not limited to:

- Plans and supervises the maintenance, repair, and construction of streets, drainage, traffic signs, cemetery maintenance, buildings, and grounds; assigns worker to crews and crews to projects; performs field inspection and directs field work on more difficult projects; organizes staff and equipment for most effective and efficient production.
- Supervises and participates in the construction to proper grade and slope sidewalks, curb, gutters, storm water drainage, and catch basins; maintains, cleans, and repairs sidewalks.

Requirements:

- Graduation from high school and considerable supervisory experience in street construction and maintenance and equipment operation and maintenance; or an equivalent combination of training and experience.
- Must have good communication and customer service skills.
- Must possess a valid North Carolina Driver's License.

Town Employment Applications are available online or at the Town Hall.
